

Main Character Dialogue

- Bill: Hey, have you met Link? He has pointy ears and he carries a shield on his back.
Ted: No, where did you meet him?
Bill: He delivered a pizza to my house yesterday.
Ted: So, he works at the pizza shop?
Bill: Only on the weekends. He goes to school on the other side of the mountain during the week. He seems really smart. He told me he wants to be a maths professor.
Ted: Where does he live?
Bill: In a big green house at the end of Emerald St. I was going to visit him but he said his mother was a witch and I should stay away.
